

checkFinite

```
graph LR; A[checkFinite] --> B[amici::checkFinite]
```

A diagram illustrating a mapping or relationship between two identifiers. On the left, a gray rectangular box contains the text 'checkFinite'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'amici::checkFinite'. Both boxes have a black border.

amici::checkFinite
